

# Attention 3<sup>rd</sup> and 4<sup>th</sup> Graders!!!!

“Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has.” –Margaret Mead

## **Mrs. Soprano is looking for third and fourth graders to become the 2018-19 members of the *Kids of Character Club!***

This group of students will take our school's Great Expectations (being kind, safe, respectful, and responsible) to the next level! They will meet regularly to not only discuss and support our school's Great Expectations, but also to put those tenets into action by leading the school's recycling efforts, collaborating to create educational multimedia projects, role-playing problem-solving and anti-bullying scenarios, and by brainstorming ways to make our community a better place in which to live and learn!

Students will acquire leadership skills, learn to collaborate with peers and community members, and become empowered and inspired to make our school a better place by helping others and being upstanders. This team of students will also work with the Character Education and Diversity Committee to take part in Character Education events, and learn to be role models for outstanding citizenship and character.

**If you are interested in becoming a member of this club, please fill out the attached form, and return it to the main office ASAP. Because there is a limit to the number of club members who may join, Mrs. Soprano will contact applicants with a follow-up email explaining membership and club specifications.**
