

PVHS January Midterms: General Information

- Midterms will take place on three Friday's in January: 1/13, 1/20, & 1/27. Each day will be split into three testing sessions: Session 1 (7:15 - 9:15), Session 2 (9:30 - 11:30), Session 3 (11:45 - 1:45).
- Only students scheduled to take exams will be coming into school on midterm days. **There will be no regularly-scheduled classes.**
- If a student has a test scheduled for Session 1 (7:15) and Session 3 (11:45), they are allowed to remain in the building in between tests. The cafeteria, lounge, and other common areas will be open.
- Students whose first test of the day is Session 2 (9:30) have the following options in getting to school: take the normal high school bus in (arrival 7:00 AM), take the middle school bus in (arrival 7:45), or get a ride in from a parent/older sibling.
- For students interested in heading home after the first testing session, there will be a bus dismissal at 9:45 AM each midterm day. In addition, there will be a bus pick-up occurring between 10:55 AM - 11:25 AM (check the Midterm bus schedule on the school website for your exact pick-up time) to get students to school for testing Session #3.
- Nearly all 9th, 10th, and 11th graders will be taking midterms in their core subjects. Seniors taking AP/College-level classes will also be taking midterms
- A "conflict session" has been set aside on the final day for students who are scheduled to take 2 midterms at the same time
