GUIDING QUESTIONS FOR POST-OBSERVATION CONFERENCE

Please consider the following questions prior to our post-observation conference. They will serve as the basis of this meeting:

As I reflect on the lesson, to what extent were students productively engaged?
“Teachers think systematically about their practice and learn from experience”

1. Did the students learn what I intended? Were my instructional goals met? (How do I know and when will I know?)
“Teachers are responsible for managing and monitoring student learning”

2. Did I alter my goals or instructional plan as I taught the lesson? Why?
“Teachers know the subjects they teach and how to teach those subjects to students”

4. If I had the opportunity to teach this lesson again to this same group of students what would I do differently? Why?
“Teachers think systematically about their practice and learn from experience”

5. Did I ensure that the varying learning styles of my students were addressed?
“Teachers are committed to students and their learning”
