DISTRICT GOAL

“Promote Wellness and
Personal Growth by Accepting
Challenges”

A top-down view of a wooden desk. In the top left is a white cup of black coffee. To its right is a round loaf of bread with seeds. Below the bread are several sheets of white architectural blueprints. In the center is a light blue clipboard with a black clip at the top, holding a white sheet of paper with a quote. A black fountain pen with blue accents lies horizontally below the clipboard. To the right of the clipboard is a silver laptop, partially visible, showing keys like 'fn', 'control', 'option', 'command', 'shift', 'caps lock', 'tab', 'Q', 'A', 'Z', 'X', and 'esc'. In the top right corner is a small white pot containing green grass-like plants.

“A universal goal allows the district to collectively work in the same direction, each individual, grade level, department and building will still pursue actions to better themselves”
