

PVES Earth Helpers Club

Who: 2nd graders

What: A club that teaches children about our wonderful Earth and why we need to protect it!

When: Tuesdays from 3:30-4:45 (4/11 - 6/13)

Students must be picked up by parents promptly at 4:45 PM on these Tuesdays!

Where: PVES Outdoor Learning Spaces

Why: Mrs. Odell loves to teach kids about helping the Earth!

How: Send Mrs. Odell an email to sign up at kodell@pvcsd.org. The first 15 students to email will be accepted! After that, a waiting list will be created.

Summary:

In this club, second graders will be introduced to various skills and concepts related to caring for our Earth. Lessons will take place in our Outdoor Learning spaces. A typical meeting will include a lesson in an outdoor classroom, a craft or game, and a walk on one of our nature trails. In the event of rain, the session will meet in Mrs. Odell's classroom. We will learn about local animals and plants, and we will talk about ways we can help the Earth, such as cleaning up our school property for Earth Day, and making crafts out of recycling.

Note - The children can have a short snack in the beginning of each class, but in efforts to teach sustainability, please only send in water in a reusable bottle and a trash free snack!
