Chung Ma's Taekwondo will again be offering their fun and exciting Taekwondo Club for all Putnam Valley Elementary school students.

This year's program will consist of learning the basic blocks, kicks and punches of the martial art for all new students and broadening the knowledge of all rejoining members in a safe fun atmosphere. By learning these techniques we will not only be enhancing the student's physical abilities but also their confidence, self-control, focusing skills, self-defense and the "Yes I can attitude". Board breaking and special games will also be a part of the program to help teach the martial art and stimulate the children's physical and mental abilities.

The instructor for the class will be Master Wayne DeRosa, who is a 7th degree black belt and also National and International Champion
