**Chung Ma's Taekwondo will again be offering their fun and exciting Taekwondo Club for all Putnam Valley Middle school students.**

**This year's program will consist of learning the basic blocks, kicks and punches of the martial art for all new students and broadening the knowledge of all rejoining members in a safe fun atmosphere. By learning these techniques we will not only be enhancing the student's physical abilities but also their confidence, self-control, focusing skills, self-defense and the "Yes I can attitude". Board breaking and special games will also be a part of the program to help teach the martial art and stimulate the children's physical and mental abilities.**

**The instructor for the class will be Master Wayne DeRosa, who is a 7<sup>th</sup> degree black belt and also a National and International Champion**
