

Putnam Valley Parks and Recreation

Kids Who Code

After School Enrichment

Tuesdays 3:30am - 4:30pm

9/24, 10/8, 10/15, 10/22, 10/29, 11/12, 11/19, 11/26

Putnam Valley Elementary School

Grades 1st - 3rd

\$150 per child

10 students maximum

Coding Animation with Scratch Jr.

Children will use programming blocks in Scratch Jr. to control their characters by adding sounds, colors, and other characters. They will interact with the software as they learn logic sequential thinking with simple programming and decision-making capabilities to program their character's behavior.
