INTO THE BEAUTIFUL NORTH

Luis Alberto Urrea

Nineteen-year-old Nayeli works at a taco shop in her Mexican village and dreams about her father, who journeyed to the US when she was young. She realizes that there are almost no men in town. While watching *The Magnificent Seven*, Nayeli decides to go north herself and recruit her own "Siete Magníficos" to repopulate her hometown and protect it from the bandidos who plan on taking it over. With compassion and humor, Urrea offers a fresh take on the hero's journey and explores how we may not be as different from each other as we might think.
