New York State Housing Questionnaire

Identifying and serving students in temporary housing under the McKinney-Vento Act and NYS Ed Law §3209

This form is to be completed when a student first enrolls, and any time a change in housing status occurs. There are no wrong answers. This form may be filled out independently, or the McKinney-Vento Liaison can assist. To access a list of McKinney-Vento Liaisons, please visit <https://www.nysteachs.org/liaisons>

District or LEA	School Name
About this form and your rights Schools are required by federal and state law to identify students living in temporary housing and ensure they can enroll, attend, and succeed in school. The McKinney-Vento Homeless Assistance Act, together with New York State Education Law Section §3209, protects students and families who no longer have a permanent, stable place to live; families who have lost housing; are staying with others temporarily; or are living somewhere that was never meant to be a home. Eligible students have the right to: ✓ Stay in the school they attended when last permanently housed (called the school of origin), for as long as they are in temporary housing. ✓ Immediately enroll in the local school where they are temporarily staying (the school of current location). ✓ Enroll and start school right away, even without a birth certificate, proof of residency, immunization records, or school records. ✓ Receive free transportation to and from the school of attendance, as well as after-school activities (If within 50 miles). ✓ Receive free school meals without income paperwork as well as access to other school services including McKinney-Vento Grant resources, if available. This information is confidential and will be shared only with school staff who have a legitimate educational need to support student access to McKinney-Vento rights and services. Providing this information is voluntary and will be used only to determine eligibility for services under the McKinney-Vento Act and NYS Education Law §3209. Please note that this information will not affect your immigration status, your child's enrollment, or your eligibility for other school services.

Safe Swimming

Tips for Everyone

- Always swim with someone else and keep an eye on each other.
- Pay extra attention to your children around water.
- Consider your health. Medical conditions like a seizure disorder or heart condition can put people at greater risk of drowning.
- Avoid water that is greater than chest deep if you can't swim.
- Don't use alcohol or drugs if you plan to swim.
- Don't dive into water less than eight feet deep or of unknown depth.
- Pay attention to the weather and never swim during storms or lightning.
- The safest place to swim is at a public beach or at a pool with lifeguards.

Know the Signs of Drowning

Each year, hundreds of New Yorkers drown. It can happen to anyone, anywhere there is water. Drowning occurs quickly and silently. Someone drowning may appear to be splashing or waving when they are struggling to stay afloat.

Reduce your risk. Learn basic swimming skills. Consider taking a CPR class. Rescue breathing, first aid, and calling 911 could save a life.

Keep Kids Safe

Kids and teens have the greatest risk of drowning. Always keep little ones within arm's reach, even in the shallow end.

Lifeguards and life jackets don't take the place of close adult supervision. Make sure your pool has a secure enclosure that makes it inaccessible to children.

Stay Healthy

Germs can spread through water. Avoid getting sick by not swallowing water, and rinsing off before and after you swim. Never swim in cloudy or discolored water.

Stay out of the water if you are sick with diarrhea, or if you have open cuts or wounds. Don't pee or poop in the water. Take children on frequent bathroom breaks.

When Boating

Always follow safe boating practices and wear a U.S. Coast Guard-approved (I-III label) life jacket. Air-filled swimming aids, like water wings and floats, should never be used.
